

You're Invited!

Please join the Falcon Landing project team as we offer a virtual open house to update the community on the proposed general distribution facility located off Falcon Drive in Westfield. The team will provide an overview of the project and looks forward to hearing from participants.

When: December 13, 2023 at 6:30 PM via ZOOM link

ABOUT THE PROJECT: A single 524,000 square foot general warehouse building is proposed for a 126-acre site situated between Falcon Drive and North Road/Route 202 immediately adjacent to 1111 Southampton Road in Westfield. Winstanley Enterprises LLC is leading the joint-venture team pursuing this development. The family-owned and operated commercial development company has been a property owner in Westfield since 2018 when they purchased 1111 Southampton Road. Local land use applications have recently been submitted to the City of Westfield and the Planning Board will begin the review process with a public hearing on December 19, 2023.
